

KL12LM Super Bright 25000lux LED Corded Cap Lamps Manufacturer

Product Feature

The brightest light and best safety for yours.

Brightness is up to 25000lux ! Weight is light for portable use.

Fire-resistant, flame retardant, crash-proof, water-proof, dust-proof, high temperature resistant ,high reliable and durable.

15000lux 18hours working time, 25000lux strong brightness lighting for longer lighting distance, long lifespan of 100000hours , IP68 20meters diving water-proof grade. Special. fire-resistant and steel hardness material for the lamp case, "Professional for miner's safety lighting and fireman lighting."

10400mAh rechargeable Li-ion battery for 18hours working time to meet the long working time underground. Charging full in 6hours

TECHNICAL PARAMETERS:

Light source	1pcs main light and 2pcs auxiliary lights
Battery capacity	10.4Ah
Rated Voltage	3.7V
Main light current (strong light)	800mA
Main light current (working light)	450mA
Power of the main light (strong light)	2.4W
Power of the main light (working light)	1.4W
Illuminous(strong light)	334LUM
Illuminous(working light)	195LUM
Brightness of the main light (strong light)	25000lux
Brightness of the main light (working light)	15000lux
Life span for main LED	100000hours
Battery cycles	1200 cycles
Working time (Strong Light)	13 hours
Working time (working light)	22 hours
4 Levels light	working light- strong light- auxiliary lights-SOS
Weight	650g
Water-proof grade	IP68
